Good Morning Bill and Bruce,

A briefing document for the CEQ report briefing is attached. It's also saved to Teams here: *UIC Class VI - General\Interagency\CEQ CCUS Report*. I didn't identify anything for us to comment on.

A less important question, is it the Appropriations Act of 2020 or 2021. I thought 2021, but spotted a 2020 in the report.

I was toying with the last heading in the briefing doc, and if there is anything else we would like to highlight. What do you think?

Thanks,  
Molly
